## Experience

### Pile Driving Technician

01/2020 - 08/2020

Elite Lift Solutions | Dickinson, ND

- Rigged and unrigged equipment such as cranes with complete safety compliance to protect workers and equipment.
- Demonstrated self-reliance by meeting and exceeding workflow needs.
- Improved customer satisfaction by finding creative solutions to problems.
- Provided excellent service and attention to customers when face-to-face or through phone conversations.
- Worked closely with team members to deliver project requirements, develop solutions and meet deadlines.

### Service Rig Operator

02/2018 - 01/2020

Key Energy Services | Dickinson, ND

- Utilized effective communication skills to deliver instructions to crews and build collaborative groups focused on accomplishing goals on tight schedules.
- Kept crew members on schedule at diverse sites and prepared schedules to carry out accurate work at required times.
- Tactically organized and delivered objective completion in any weather conditions.

### Heavy Equipment Mechanic/ Lead Welder

12/2015 - 01/2018

Western Concrete Inc. | Henderson, CO

- Assessed equipment to determine the cause of issue or malfunction and identified the type of repair that would be required.
- Kept accurate records of all machine and equipment repair work that had been performed.
- Utilized various methods to perform routine and preventative maintenance tasks on heavy equipment, including excavators and dozers.
- Removed defective wiring systems, hydraulics and braking systems and replaced with new parts, enabling machines to return to service.
- Read and interpreted technical details such as schematics, manuals and drawings.

**Service Rig Floorhand- Operator**

10/2009 - 12/2015

Western Exploration | Williston, ND

- Established and oversaw regular rig maintenance program to maintain continued operability.
- Identified operating issues with service rigs and troubleshoot problems to identify root causes, resolve faults and return full functionality.
- Recognized by management for providing exceptional customer service.
- Tackled additional shifts to meet challenging project demands and customer schedule requirements.
- Created agendas and communication materials for team meetings.
